What are the advantages of Direct Debit? Direct Debit offers you the convenience of making time-sensitive payments without having to write a check. Even if you are away, your tax bill will be automatically paid from your designated bank account.

How does it work? When you authorize Direct Debit, you are giving Thomas Township permission to initiate a transfer from your checking or savings account to the Township's account. The withdrawals are done by your financial institution and your monthly bank statement will indicate the amount of the withdrawal and when it was made.

Will I still receive a tax bill? Yes, but for record-keeping purposes only. Tax bills are mailed on July 1st and December 1st of each year or as close to those dates as possible.
